DOD: 10/22/10		LEANNE WALKER GRANT , niece, is Petitioner and was appointed Administrator with Full IAEA and bond set at \$7,000,000.00 on 03/12/12. Letters of Administration were issued on 05/16/12. Petitioner states: <ol style="list-style-type: none"> The Inventory & Appraisal of the estate has been mailed to the Probate Referee and will be filed as soon as it is received back from the referee. The estate owns real property that is within the territorial boundaries of the Table Mountain Rancheria. Due to the number of intestate heirs (74), this property must be sold. All properties located on the Rancheria are not entitled to access the Tribe's infrastructural facilities as a matter of right and consent to use those facilities must be obtained from the Tribal Council. Petitioner is working with the Tribal Council regarding use of the Tribe's infrastructural facilities by prospective buyers. The estate owns real property in Oregon. Petitioner has contacted counsel in Oregon regarding commencing an ancillary probate administration in Oregon. The Decedent died intestate and was not survived by issue or a parent. According to Petitioner's calculations, there are 74 intestate heirs of the Decedent. Many of whom are not personally known to Petitioner. Given the uncertainty resulting from the number of known intestate heirs and their remoteness of relation from the Decedent, Petitioner requests an Order determining those persons who are entitled to distribution of the estate. The names, addresses and relationship of the heirs of the Decedent and of all persons entitled to notice, as far as known to the Petitioner, along with their respective estate shares are listed as Exhibit A to the Petition. <p style="text-align: center;">Continued on Page 2</p>	NEEDS/PROBLEMS/COMMENTS:

Frederick A. Worthington (Trustor)		SCOTT J. WORTHINGTON, Co-Trustee of THE WORTHINGTON FAMILY GRANTOR TRUST dated 12-28-11, is Petitioner.	NEEDS/PROBLEMS/COMMENTS:
Celia M. Worthington (Decedent) DOD: 4-9-12			
		Petitioner states he is a resident of Fresno County. CYNTHIA A. SCHMIDT , Co-Trustee and Respondent, is a resident of Santa Clara County. Petitioner and Respondent are both lifetime beneficiaries entitled to all of the income and principal of the trust.	1. Need status of the existing case in Santa Clara County and authority for Fresno as appropriate venue for this petition when another petition relating to this trust is currently pending in Santa Clara Superior Court. Would petition there, along with petition to transfer the entire proceeding be more appropriate?
		Petitioner states Respondent filed the Petition for Instructions To Trustee in Santa Clara Superior Court as Case No. 1-13-PR-172394 on 4-23-13 (Exhibit 1) .	<u>Note:</u> Per Santa Clara Superior Court records online, there is an upcoming hearing date on Ms. Schmidt's petition continued to 8-15-13.
Aff.Sub.Wit.		However, Petitioner states the principal place of administration of the trust is Fresno County, not Santa Clara County, because Petitioner is a resident of Fresno County, the trust was executed in Fresno County, Trustor Frederick Worthington currently resides at Fresno Guest Home in Fresno County, and Decedent Celia Worthington was a resident of Fresno County at her death. Petitioner states Decedent Celia M. Worthington's will is presently being probated in Fresno County Superior Court Case No. 13CEPR00336.	<u>Note:</u> Petitioner states Decedent Celia Worthington's will is being probated in Fresno Superior Court Case No. 13CEPR00336; <u>however, Examiner notes that the will has not been admitted to probate.</u> Hearing on Petitioner's Petition for Probate, with Objections filed by Ms. Schmidt, was continued to 7-25-13. (Neither Petitioner nor Val Dornay, Petitioner's attorney of record in that case, were present at the original hearing on 5-30-13; therefore, Judge Snauffer continued the matter to 7-25-13.)

Petitioner seeks to terminate the trust for the following reasons:

Petitioner states the primary intent for establishment of the trust was *not* the desire to divest assets to qualify for Medi-Cal, but was the intent of Respondent to legally have the assets available for immediate distribution by purporting to qualify Trustor and Decedent for Medi-Cal. By having them establish an irrevocable trust and transfer all of their assets into it, Respondent would accomplish:

- 1) The assets transferred into the trust would be immediately available to be distributed to Respondent pursuant to the terms of the trust;
- 2) Trustor and Decedent would ultimately, but not immediately, qualify for Medi-Cal to pay for their expected long term care;
- 3) Trustor and Decedent could not use their own assets to pay for in-home care in their own home if they wanted to do so;
- 4) Trustor and Decedent could not use their own assets to pay for long term care in an assisted living facility of their choice, a facility that may not have accepted Medi-Cal patients;
- 5) Trustor and Decedent's assets could not be subject to Medi-Cal's right to reimbursement on their deaths.

Petitioner bases the above allegation on the **Declaration of Trustor Frederick A. Worthington (Exhibit 4)**, the trust, the allegations for the petition filed in Santa Clara County by Respondent, and the following:

In Oct/Nov 2011, Trustor fell and sustained a broken hip, which required surgery, rehabilitation, and long term care, which was to be provided in his own home with private services or a care facility. He was initially placed in Horizon Health and Subacute Center in Fresno, and in addition to his hip injury, was also treated for skin and respiratory ailments. During this time, Decedent was also in need of assisted living due to her age and infirmity. Trustor and Decedent had assets of cash in at least two accounts which would disqualify both from qualifying for Medi-Cal benefits so that any long term care would need to be paid from their personal assets.

Petitioner is informed and believes that Respondent realized that unless Trustor and Decedent could qualify for Medi-Cal, all of their personal assets would have to be used for their care and support, and nothing would be left for her to inherit on their deaths. Petitioner is informed and believes that Respondent took it upon herself to contact *The Law Offices of Philip Flanigan* for the purpose of determining if there was a way legally to qualify Trustor and Decedent for Medi-Cal so that their assets could be passed onto Respondent while Medi-Cal would pay for their long term care needs. Mr. Flanigan advised Respondent that they could qualify if they created an irrevocable trust naming someone other than themselves as trustee and income and principal beneficiaries entitled to all of the income and principal of the trust.

Petitioner states that unbeknownst to Trustor and Decedent and without their consent, knowledge, authorization, or approval, Respondent instructed Mr. Flanigan to proceed with preparation of the trust.

Petitioner states Fresno Guest Home, where Trustor currently resides, is part of a Medi-Cal assisted living pilot project, which allows long term care patients to reside in an assisted living facility paid for by Medi-Cal, whereas Medi-Cal would not ordinarily pay for a patient such as Trustor or Decedent to reside in an assisted living facility that is not party of the project.

SEE ADDITIONAL PAGES

Page 2

Petitioner is informed and believes and alleges thereon that in order to protect her expected inheritance, Respondent placed Trustor and Decedent in Fresno Guest Home without any discussion or consent.

Petitioner states that prior to executing the trust, Trustor and Decedent never met or talked to Mr. Flanigan, and never discussed with him or with Respondent or anyone else the terms of the trust or the significance of conveying their assets into the trust. On or about 12-28-11, Respondent arranged for Mr. Flanigan to meet with Trustor at his bedside to execute the trust.

Per Declaration of Trustor (Exhibit 4), this date 12-28-11 was when he was first made aware of the trust, and he was told by Respondent to sign the document to protect his assets from Medi-Cal and other creditors. He states in the declaration that he thought she contacted the attorney to make sure that his and his wife's wishes would be carried out pursuant to the terms of their **wills dated 3-3-09**. Petitioner is informed and believes and alleges thereon that prior to signing the trust, Trustor and Decedent were never told that they would lose ownership of their assets once they were transferred to the trust, and that they knew and understood that their assets would immediately become available to Respondent and Petitioner, they would not have executed the trust and allowed their bank accounts to be transferred into the trust.

Petitioner states on that date Respondent also had Trustor execute a General Durable Power of Attorney designating Petitioner and Respondent as Trustor's Attorneys-In-Fact; however, allowing either of them to act alone without the approval or consent of the other. Respondent then arranged to have their accounts transferred to the trust.

Petitioner is informed and believes that because of the value of the accounts that were transferred into the trust, Respondent knew that Trustor and Decedent would not immediately qualify for Medi-Cal, but that she would have immediate access to use the funds for her own benefit. These allegations are based on the fact that Decedent had not qualified for Medi-Cal benefits prior to her death, even though she resided in Fresno Guest Home for several months prior to her death.

During this time, Petitioner states Respondent withdrew approx. \$40,000.00 which she used for her own benefit.

Petitioner states that the family home was not transferred to the trust to qualify for Medi-Cal, but for the sole purpose of giving Respondent immediate access, including the power to sell the home and transfer the net assets to herself.

Petitioner states Trustor qualified for Medi-Cal benefits on 6-14-12 retroactive to 2-1-12 and that Respondent was notified by email from Katie Flanigan, Medi-Cal Case Manager at Quality Life Solutions in Fresno.

Petitioner states the family home is not listed in Schedule A as an asset transferred at establishment of the trust or intended to transfer into the trust.

The trust provides that Petitioner and Respondent are "lifetime beneficiaries" of the trust and the trust give Respondent, for all intent and purposes, an unlimited right to income and principal, including proceeds from the sale of the home. She knew the home was an "except asset" because Trustor intended to return there, and that there was no need to transfer the home to the trust to qualify; however, on 5-11-12, approx. one month after Decedent's death, but not recorded until 2-7-13 – 7 months after Trustor had already qualified for Medi-Cal, the family home was transferred to the trust by **Respondent executing a grant deed as Attorney In Fact for Trustor (Exhibit 3)**.

SEE ADDITIONAL PAGES

Page 3

Petitioner states the grant deed was fraudulently recorded in that the deed declares no documentary transfer tax because the "Grantee is a Trust for the benefit of Grantor," which is patently and expressly false and fraudulent. The trust is not fbo Trustor, but fbo Petitioner and Respondent.

Petitioner states Respondent knows of Trustor's desire to return home, but in order to protect her inheritance, she filed the Petition for Instructions in Santa Clara County Superior Court requesting, among other things, that the Court order the sale of the home and the proceeds distributed to Petitioner and Respondent. Petitioner notes that her petition was filed prior to the date that the Trustor finally qualified for Medi-Cal benefits.

Petitioner states Respondent's acts constitute a violation of undue influence in that she took a grossly oppressive and unfair advantage of the necessities and distress of Trustor by arranging a transfer of all of his assets to the trust, by contacting Mr. Flanigan and by presenting the trust for signature while he was residing in an assisted living facility, Respondent had opportunity to exert undue influence on Trustor. The allegations in her own petition (Exhibit 1) establish the elements of "financial abuse" thereby allowing Trustor to avail himself of the remedies afforded to him under the Elder Abuse and Dependent Adult Civil Protection Act W&I §§ 15600-15675.

Petitioner prays for an order:

- 1. Terminating the WORTHINGTON FAMILY GRANTOR TRUST dated 12-28-11; and**
- 2. That Petitioner and Respondent, as co-trustees, convey to Frederick A. Worthington the real property located at 22561 Auberry Road in Auberry, Fresno County, California.**
